Arkansas Comprehensive School Improvement Plan
SUPERVISOR REVIEW COPY ONLY
2014-2015

Bruno-Pyatt High School

The mission of the Bruno-Pyatt School is to develop individuals who are valuable contributors to society. With the assistance of technology, direct instruction, and hands on experiences, we believe all students can and will learn. The staff and students with the support of the parents and community share the responsibility of creating a positive learning environment. Working together, we will honor and nurture the self-worth, talents, creativity, and educational potential of each individual.

Contents

1 Priority 1: Comprehensive Literacy	1
1.1 Goal: Literacy skills will be improved in the areas of comprehension and interpretation with the assistance of technology within the 7th and 8th grades. Emphasis will be on inferencing based on background and personal information and additional stress will be placed on open response questioning skills and mechanics. The 11th grade will be emphasizing inferencing and paraphrasing from a complete selection and supporting them with text evidence as well as stressing author’s purpose, voice and tone skills and expository composition. All areas will be working on content area reading passages.	1
2 Priority 2: Comprehensive Math	14
3 Priority 3: Wellness	28
3.1 Goal: The school will provide support for students in making Healthy Lifestyle Choices by implementing systems to aid in decreasing the average BMI on routine annual student screening and increasing collaboration between all segments of the school community in support of positive lifestyle choices.	28
A School Improvement Planning Team	30

1 **Priority 1:** To Improve Literacy Skills Within Reading and Writing Through the Use of Responses to Literature or Writing Prompts

1.1 **Goal:** Literacy skills will be improved in the areas of comprehension and interpretation with the assistance of technology within the 7th and 8th grades. Emphasis will be on inferencing based on background and personal information and additional stress will be placed on open response questioning skills and mechanics. The 11th grade will be emphasizing inferencing and paraphrasing from a complete selection and supporting them with text evidence as well as stressing author’s purpose, voice and tone skills and expository composition. All areas will be working on content area reading passages.

Benchmark: All populations met the 2013-2014 AMO. It is expected that these populations will meet, or exceed, the 2015 AMO target of 77.38%. By August,2015, the percentage of students in the ALL Students population scoring proficient on the Benchmark and End of Course exams will be at least 77.38%.

2 **Priority 2:** To Improve Math Skills Related To Open Response Questions and Problem Solving

Goal: Needs Assessment: To improve math skills in the area of math procedures and problem-solving skills with the assistance of technology, and hands-on experiences. Emphasis will be placed on Open Response Questioning Skills. 7th grade will be working to increase skills in data analysis and numbers/operations. 8th Grade will strive to increase skills in the strands of geometry and measurement. Algebra students will be working on non-linear functions, Geometry students will be working to improve scores with triangles.. Teachers will be working more one-on-one with students this year to improve understanding of concepts, Improve EOC scores by implementing a more rigorous schedule that follows the standards closely, improving understanding of factoring, rational functions and writing equations of lines using different forms. Geometry Students will be work toward specifying locations in coordinate geometry, applying transformations, and work with the properties of triangles, identifying types of triangles and special segments.

Benchmark: The following populations did not meet the AMO target of 82.50 All Students scoring proficient/advanced 61.54 Targeted Achievement Gap Group 55.81% scoring proficient/advanced. It is expected that all populations will meet, or exceed, the 2015 AMO target of 84.5% scoring proficient/advanced, or make the necessary gains to invoke "Safe Harbor." By August, 2015, the percentage of students in the student population and all subgroups scoring proficient or advanced on the Benchmark and End of Course exams will meet state AMO requirements.
