This is to help maintain order and to disallow statements from those parties who are not residents of the “City Proper” and/or those who would not be directly affected by any policy changes to the City.
    - a. This suggested change will be added to the Ordinance for the 2<sup>nd</sup> Reading on September 20<sup>th</sup>.

- B. Mayor Behling stated that he was approached by a resident regarding recognizing, with a “key” to the City, Hazel Smith Montgomery on the occasion of her 102<sup>nd</sup> birthday, September 2<sup>nd</sup>, for having been instrumental in founding the City of Lakeview.

- D. Mayor Behling brought to Council’s attention that the current Personnel Handbook for the Police, originally adopted in 2000, had some conflicting sections, which he and Chief Manley would like to address.
  - 1. First, the handbook should be redone to make it more generic, so that if and when the City added more full time employees a handbook would already have been established.
  - 2. Mayor Behling had prepared a draft of a revised handbook, which he gave to each Council Member for them to review and make suggestions as to possible concerns or changes.
  - 3. Departmental policies for the Police Department, Administrative and other departments as necessary, should be broken out of the employee handbook so that they deal with their specific needs and requirements.
