Planning & Zoning Regular Meeting, 10 AM, Lakeview City Hall

Present:

S. Fine
W. Funk
Ron Elchesen

Absent:

Chuck Birmes
Cindy Stephens

- I. There were no agenda items for this meeting, however, Mayor Behling wanted to speak to Planning and Zoning after finishing with the Special Meeting with City Council.
 - A. Mayor Behling stated there were several streets, Twin Lakes Dr., Windy Oaks and Wishing Well Circle which have been abandoned by the city and are considered private roads. These will have a change in signage color from green and white to red and white to designate the change.
 - B. Also, there are other streets that should be abandoned and made private and the Mayor asked Planning and Zoning's help in ascertaining which of those streets should be changed.
 - C. Mayor Behling advised Planning and Zoning that Pictometry would possibly be coming to the City of Lakeview in about 6 months. Baxter County is looking at setting it up for 911 purposes and would probably ask the City of Lakeview to share in expenses according to the land mass which they occupy.

- III. Meeting adjourned 10:05 AM
