We acknowledge that marriage is a process in which our lives as individuals are realized in relationship to that of another. May your friendship deepen and may you always respect and cherish all that makes you the individuals who you are.

Here we go!

Here we go!

Who gives this woman to marry this man?

Father: Her mom and I do.

Lauren Robertson through your love for Keith, may he find a greater sense of who he is meant to be. , may your love for Lauren allow her to grow to be the woman she is meant to be.
