

# Library Media Center

## STUDENT PASSES

Students need time to browse and discover the worlds of print and computerized information available to them as well as spend time for pleasure reading. Learning Centers are available, also.

Each teacher will be given two media center passes to allow up to two individual students at a time to visit the LMC without you. They must have the special LMC Pass around their neck. The pass is a lanyard with a 6" yellow wooden pass attached.

Students will be responsible for the cost of the pass (\$2.00) if they lose it or deliberately break it. Click [here](#) if you would like a copy of a Student Sign-out Form to have students sign when they borrow your pass.

I encourage you to allow students to use the media center. I will make sure they are not wasting the time spent.
