

I am a 1988 graduate of Mountain Home High School. While I attended MHHS, I played football and was in several clubs. I was blessed to grow up in Mountain Home, where the schools are great and it is a great place to raise kids, which is the reason I came back to Mountain Home.

I attended Southwest Baptist University after high school, where I played football for two years. After that, I transferred to the University of Central Arkansas, where I was a student coach and was part of the NAIA National Championship Team of 1991. When I graduated from UCA, I was lucky enough to get a job back home at the Mountain Home Junior High.

I have been working for Mountain Home Public Schools for 18 years. I was a social studies teacher and coach for five years and then went into administration, where I was the assistant principal at Pinkston Middle School for four years. Then I was the assistant principal at the Mountain Home Junior High for seven years. Then in 2011 I was hired as the Guy Berry College and Career Academy Director. This is my passion. I love working with at risk youth and helping them make decisions that can help them have a wonderful life.

I am married to Jacqueline Kincade and have three wonderful kids, Kolt , Alexis and Landon.

Go Bombers!!!
