

Rita Persons, Nelson-Wilks-Herron Assistant Principal

rpersons@mtnhome.k12.ar.us

I have been in education since 1990 when I began as a substitute teacher and an Alternative Learning Classroom assistant. I earned a B.A. degree in Elementary Education in 1996 and began teaching second grade. Then in 2005, I earned a M.Ed. in Administration and Supervision from the University of Arkansas at Little Rock . I have served as an ELLA lead teacher and on many committees including ACSIP, curriculum, intervention programs and development, Arkansas Reading First Leadership Team, and Personnel Policy Committee chairperson, as well as others. I am very excited about being a part of the Mountain Home School District and working as assistant principal here at Nelson-Wilks-Herron Elementary. I am looking forward to working together with parents, teachers, students, administrators, and the community to continue providing an excellent educational experience which encourages students to, "Be The Best You Can Be" as is our mission. Please feel free to contact me here in the office if I can be of any assistance to you.
