

Mountain Home Public Schools **Maintenance Department**

Mike Armocido
Maintenance Supervisor
(870) 425-1226

- Over 200 acres of land and approximately 640,000 square feet of buildings are maintained by the Maintenance Department.
- Our Maintenance Staff of nine men handle approximately 90% of all district maintenance and repair problems throughout the entire district.
- The maintenance staff includes a Plumber, a Locksmith, and a Painter who also does our cabinetry work. We have two men who maintain our grounds and athletic fields, a Carpenter/Masonry person, and two men who take care of all electrical and over 450 Heat and Air units through out the District.

- Mountain Home Public Schools has 29 full time custodians. Nine of these custodians work daytime hours with the remaining 20 working evening hours.
- All cleaning products, paper goods, and stripping and waxing products are bid each spring. We request bidders guarantee the price for the entire school year. We will select the best product for the best money that fits the needs of Mountain Home School District.
