

Leah Cotter, Nelson-Wilks-Herron Principal

lcotter@mtnhome.k12.ar.us

I have been an educator since 1992, when I began my first job as a third grade teacher in a rural Missouri school. My goal was always to be a teacher at Mountain Home Public Schools. In 1996, I achieved this goal by becoming a kindergarten teacher at Mountain Home Kindergarten Center . I have taken advantage of many educational opportunities throughout my career. Because of these opportunities, I feel that I bring a wide range of beneficial experiences to Nelson-Wilks-Herron Elementary. My experiences include teaching grade levels P, K, 1, 2, 3, 8, and 9, middle school assistant principal, clinical supervisor for ASU, adjunct instructor for ASU, and serving on various committees. I received my B.A. and M.A. degrees from Arkansas State University . I am so proud to be a part of this extraordinary learning community. I believe that by working together (parents, teachers, administrators, and students) we are making important investments in the future of our community. If I can assist you in any way, please feel free to contact me. My door is always open!
