**2015-2016 ACME Project:** I Can Club

2015-2016 ACME will be partnering with Nelson-Wilkes Herron and the I Can Club program. The I Can Club program coordinates with International Dot Day.

“**International Dot Day**, a global celebration of creativity, courage and collaboration, began when teacher **Terry Shay** introduced his classroom to **Peter H. Reynolds**’ book *The Dot* on September 15, 2009.

*The Dot* is the story of a caring teacher who dares a doubting student to trust in her own abilities by being brave enough to “make her mark”. What begins with a small dot on a piece of paper becomes a breakthrough in confidence and courage, igniting a journey of self-discovery and sharing, which has gone on to inspire countless children and adults around the globe.”

ACME students will facilitate several clubs with Nelson-Wilkes Herron students to show them that “they can”. Some examples of clubs are:

- Bike Club: students will learn how to ride a bike
- Tool Time: students will learn basic carpentry and wood working skills
- Princess for a Day: students will be pampered like princesses
- Turkey Call: students will learn techniques to call a turkey
