Medical Clinical Specialization Application

The Medical Specialization program is designed to provide students interested in a career in health care the opportunity to shadow various medical personnel in a health care setting. This experience is provided through clinical, laboratory, and mentoring experiences with Baxter Regional Medical Center.

**Selection for internship is based on the following criteria:**

1. The student must have a minimum of a 2.0 GPA in all medical professions courses and must be on track to graduate.
2. The student must have taken at least **ONE** medical professions course with Nurse C **BEFORE** interning.
3. The student must submit two written recommendations from instructors at MHHS along with the completed internship application. These recommendations can be emailed directly to Nurse C at [aczanstkowski@mtnhome.k12.ar.us](mailto:aczanstkowski@mtnhome.k12.ar.us).
4. The internship application must be legibly written and submitted on or before the deadline.
5. The student's attendance record will be taken into consideration.
6. The student's discipline record will be taken into consideration.
7. The student's completer status will also be taken into consideration. The student who needs this class to be a completer will be given priority over a student who is not going to be a completer.

**Grades for internship will be based on the following:**

1. Journal entries from clinical experiences.
2. Current events
3. Monthly site evaluations
4. Internship portfolio

**Student Requirements:**

1. The student will abide by the "Student Code of Ethics" which is signed by both the student and parent/guardian. Any infraction of the Code may result in dismissal from the program.
2. The student is required to purchase (1) set of black scrubs. The student must also wear tennis shoes.
3. The student must not have artificial nails per hospital policy.
4. The student with long hair must wear it in a pony tail during internship at the hospital per hospital policy.
5. The student must be able to provide own transportation to and from the hospital.
6. The student must eat breakfast on internship days.
7. The student must have a current TB test on file with the instructor before entering the hospital.
8. The student must complete all paperwork before entering the hospital.
9. The student must complete the semester of internship to receive credit.
10. The student must abide by all rules set by Baxter Regional Medical Center.
