# ***Trailer Tire Roadside Assistance***

Congratulations on the purchase of your new trailer, factory equipped with Carlisle branded trailer tires. As an added benefit, you will receive complimentary roadside assistance service. Simply keep this information in your glove box and telephone the toll-free dispatch number below to receive your roadside assistance.

Emergency Roadside Assistance is available 24-hours a day, 365 days a year, anywhere in the U.S. or Canada on the trailer tires you have just purchased. Tire Protection Plus consists of emergency road service dispatched to change the customer's flat tire with the customer's inflated spare. Only the trailer for which the tire(s) was purchased is covered under this program. This service is valid for two years from the date of purchase. Service is performed on a "sign & drive" basis, whereby the customer is not charged for approved service up to a maximum benefit amount of \$60.00 dollars USD per event with a maximum of three (3) services per two (2) year term. Service charges over the maximum benefit amount are the sole responsibility of the customer and shall be paid directly to the service provider at the time of service, along with any additional services requested by the customer. Service is for trailers not exceeding 10,000 GVW with tires no exceeding twelve (12) ply or load range "F" ratings.

Service excludes any trailer which, at the sole determination of the service provider, is in such condition that service is likely to result in damage to the trailer or the service provider equipment. Theft, vandalism and accident related incidents are not covered. Service may not be available in areas where state/provincial providers are exclusively utilized in which case reimbursement up to program limits will be provided upon request.

To receive 24-hour Tire Roadside Assistance, you must call the toll-free number listed below to have service dispatched to your location. Please have your account number, date of purchase and your location available.
