Two of Amy Moore's best friends, Stephanie Irby and Kara Balentine, share a happy moment. But where is Jenner, the mouse? Perhaps Stephanie, the kitten, knows.

Although Frank Vielbaum favors large marine animals, he also appears to enjoy op art as well.

If your best friend was an animal, what would he or she be?

Amy Moore: Jenner Rinks would be a mouse; Stephanie Irby would be a kitten; and Kara Balentine would be a walking stick.

With excellent facilities available and wide support from several sources, seniors staged Meet me in St. Louis in April. Mandi Scott is one of several who tried out for play; here she works on a part for the audition.
