## BOX TOP UPDATE

Hey Hackler! We have had a great start to our box tops this year! November 1st is our first submission for the year and we would like send off as many as we possibly can. Please send in any box tops you may have. Don't forget to write your name and teacher name on each baggie or sheet and hand to your teacher before October 26! If you are using the new Box tops app, please send a note with the date you submitted and child's name and we can enter those Box tops earned for the monthly book contest!

Just something to think about: If every student in Hackler sent in 10 boxtops, we would have hit half our goal for the year!

Thank you for supporting Hackler and working so hard with all of your submissions!
