

# Science Snow Packet Day 4

## 1. CORE IDEA

How do you get to school?

## 2. ENGAGING IN ARGUMENT FROM EVIDENCE

Based on the graph, choose the option that has the best evidence.

- A. Cars are bad for the environment
- B. People enjoy walking for exercise
- C. Six people ride the bus to school
- D. Bikes have two wheels

## 3. STABILITY AND CHANGE

Based on the graph, how many students use gasoline (directly or indirectly) to get to school? Show your work.

WAYS STUDENTS GET TO SCHOOL
