

A decorative border of small asterisks surrounds the entire page. The asterisks are arranged in a rectangular frame, with a slightly thicker line at the top and bottom.

2nd Grade Snow Day Packet

Please complete 1 activity for each day that is missed due to inclement weather. Return the completed activity to your child's teacher the next day that school resumes for 10 points and evidence of completion.

Snow Day #1

Power Standard: RL.2.5

Activity: Read a book and list the story elements:

write the book title, list characters, setting (where the story takes place), problem, and the solution (How was the problem solved?) In 5 sentences (or more) on the back of the paper, please tell me what happened at the beginning, middle, and end of the story. (See the Story Map attached).

Snow Day #4

Power Standard: 2.NBT.1, 2.NBT.7, 2.NBT.B.9

Activity: Circle the hundreds place, underline the tens place, put a box around the number in the ones place. On the attached sheet, please pick a strategy (breaking apart into tens and ones, open number line, partial sums, addition with regrouping, base ten model, etc...) to solve the problem.

678

348

193

286

791

1. $55 + 35 =$ _____

2. $32 + 66 =$ _____

3. $48 + 12 =$ _____

4. $67 + 25 =$ _____

Snow Day #5

Next Generation Science Standard: 2.ESS1.1

Activity: Weather Report

You are the Weather Boy/Girl and today you are home due to the weather! Pretend you are giving a weather report to your classmates. Tell them what the temperature is, precipitation (rain, snow, sleet), wind speed, and how the weather is changing what you can do and can't do. Has it done any damage outside? Has it changed the land outside? Be creative and have fun writing!

Good morning friends! Today's weather is....
