

AMI DAY 5

Social Studies

If you were the leader of an ancient civilization, what are some factors you would consider before building your capital city?

Science

What are some things every cell in your body has to do to survive?

Language Arts

In a paragraph: Why is school important?

Math

Betty, Joan, and April went to the arcade on Wednesday. Betty spent \$3.25.

Joan spent \$2.25 more than April who spent \$1.75 less than Betty.

How much did they spend in all? How much did each girl spend?
