AMI Packets are coming home today!

AMI stands for Alternative Method of Instruction

Each student will be responsible to complete four assignments per AMI day. The assignments will consist of one Literacy, one Math, one Science OR Social Studies, and one Specials assignment (PE, Art, Music, GATE, EAST, or Library). That means students are responsible for a total of four (4) assignments per AMI day. For example, if we have two AMI days, students will be responsible for eight (8) assignments. Each subject has provided a grid with nine options from which to choose. You can find these grids and any necessary attachments in this packet. You will turn in these assignments on the day we return to school. Students who do not have access to the internet or to their AMI packet will have a 5 day window to make up the work when school is back in session. Student attendance on the AMI day will be determined by his/her completion of the assigned day's work.

If you want to access the AMI packet online, follow this path :

- www.mhbombers.com
- Select Hackler Intermediate School
- Select Students (On the students tab is where you will find the grade appropriate AMI packet information)
