AROUND OUR SCHOOL

**We are accepting orders for the 2018-2019
Hackler Intermediate School Yearbook.**

We love making memories to share with families and friends for many years to come! Your child should have brought home an order form in their Thursday's red folder. When you preorder a yearbook, you are guaranteed a yearbook when they arrive in May. We take orders in house until December 14, or you can order online by going to www.wingard.inter-state.com/yearbook and entering code 31653M. You can place your online order until March 8, 2019. Make checks out to Hackler Intermediate School.

Don't delay - order today!

RED ALERT from Nurse Wendy

Please remind your children about the spread of head lice. Please do not share any personal belongings that touch our heads including jackets, scarves, hats, and combs with anyone. On cold days at recess, direct head to head contact is the most common way to spread lice. Please put your cold weather clothing in your backpack or cubby when not being used. Prompt diagnosis and effective treatment is the best defense against head lice. Lice does not discriminate against anyone. We recommend weekly head checks because itching doesn't often start until they have been infected for 4 to 6 weeks. Please call Nurse Wendy with any questions or concerns at 425-1288.

**Ms. Bentley's 3rd graders present:
Road Trip**

Holiday
