### Notes from Nurse Wendy

It is that time of year when colds and flu seem to be making the rounds. Please stress to your child the importance of washing their hands and keeping them away from the eyes, nose, and mouth area. A student experiencing a temperature, vomiting, or has diarrhea must not return to school until they are symptom free for 24 hours without the use of medication.

### Don't Spread It!

#### 1 Wash your hands

Wash regularly with soap for at least 10-20 seconds. Do it after you sneeze or cough, after you use the bathroom, before you eat, and before you touch your eyes, nose or mouth.

#### 2 Cover your cough

When you cough or sneeze cover it with a tissue, or with the back of your sleeve. In some cases you may need to wear a mask to protect others. Always throw used tissues in the bin.

#### 3 Stay at home if you feel sick

Rest at home until you feel better. Avoid spending time with and possibly exposing other people.

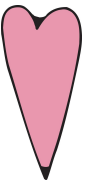

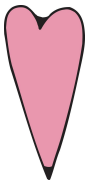

### Grandparents Support Group "Parenting the 2nd Time Around"

All grandparents who have found themselves "Parenting the 2nd time around" are invited to our first meeting. This meeting will be held in the Hackler Intermediate School Library on February 7, 2019 from 6 - 7 pm. This is an opportunity to meet other grandparents and find out where to look for help and support. Hope to see you there!

Hershey Bars are \$1 each
