

STUDENTS/TEACHERS GET EXCITED!!!!

This year we are all going to celebrate **Unity Day** (a national day) to show we unite together and stand against bullying.

We would like everyone to wear something **Orange** on that day. Baxter County Sheriff's office is going to fly their helicopter over all **of us in orange**, while **standing together** in the bus loading area. They will take our picture as we represent this very important day.

There is one more fun fact!!! The week before **Unity Day**, students will get to vote, to decide which Hackler teacher gets to ride in the helicopter. Students will get to vote during computer lab time.

No one will know who the winner will be until it lands, and we see who steps out of the helicopter! This is going to be sooo much fun!
