Ozark Mountain School District: Summary of District Parent Involvement Plan

The Ozark Mountain School District uses a committee to develop the Parent Involvement Plan for the School District. The committee contains Administrators, Teachers, and Parents. The policy is available on the District website ([ozarkmountainschooldistrict.com](http://ozarkmountainschooldistrict.com)) Ozark Mountain School District receives less than \$500,000 in Title I funds. The Policy contains the following components:

- 1) 1) The district will promote and support Family and Community engagement through surveys, written information, annual meetings, and the district website.
- 2) 2) The district will work with each school to promote parent involvement.
- 3) 3) Parent representatives are involved in the development each school's parent involvement plan, the district parent involvement plan, and school wide improvement plans.
- 4) 4) The district will ensure that teachers, administrators, and support staff receive information and professional development related to promoting Family and Community engagement.
- 5) 5) The district will make parent involvement plans available to parents by placing it in the student handbook each year. The district will also place a copy on the district website by August 1 each year.
- 6) 6) The district will include parents in the review and development of the plan annually.
- 7) 7) The district will assist the school Parent Involvement facilitator with developing school level parent involvement plans, hosting parent programs, and communicating with parents.
