AGREEMENT

The attached applicant letter accurately and completely sets forth my current income and represents my ability to pay for the costs of education.

I represent that:

- A) The information I have provided is complete and accurate and may be relied upon by the Scholarship Committee.
- B) I will notify the Scholarship Committee immediately of any material change in any such information occurring after the date of submission of this statement.
- C) I understand and agree that if I successfully complete the education program I have entered, I will be required to obtain a temporary license to practice as soon after graduation as possible and obtain a date to take the State Nursing Board examination. I will apply for employment at Baxter Regional Medical Center or one of its subsidiaries, if not already employed.
- D) I understand that if Baxter Regional Medical Center chooses to hire me or if already employed at BRMC, in order to avoid any repayment of the Scholarship, I must work for Baxter Regional Medical Center for a minimum 60 hours per pay period; (BRMC Employee Education Assistance, RN/BSN, Austino, Anderson Downes) - 6 months for every \$3,000 scholarship money I received. I understand that my obligation of time worked will begin after I complete my degree for which I am receiving education assistance and I am working in a position that is directly related to the degree I have received. I understand that my acceptance of this scholarship and my agreement to work at BRMC does not guarantee me a specific department or shift. If for any reason my employment at BRMC should terminate, either by myself or by the hospital prior to my meeting the above obligation, I agree to repay BRMC all education assistance received. I authorize BRMC to deduct any scholarship money I should owe because I failed to meet the employee responsibility on this agreement from my paychecks. I understand that if my net check does not cover the amount owed, it will be my responsibility to repay the balance. (Austino, Anderson Downes, BRMC Employee Educational Assistance and RN/BSN) I also understand that BRMC will bill me directly if I fail to meet the required criteria for eligibility and the amount owed may be referred to a third party collection agency and/or other legal action as applicable by Arkansas statutes.
- E) I understand that Baxter Regional Medical Center is under no obligation to hire me, and if Baxter Regional Medical Center chooses not to hire me I will not be required to pay back any money to the program.
- F) I understand that if I am awarded the scholarship and take prerequisite classes for the program for which I have received the scholarship, and I do not get accepted into the program for any reason, I will immediately notify Human Resources. I understand that I will be required to pay back all money I have received from the scholarship fund.
- G) In order to continue receiving the scholarship I understand that I must maintain the required grade level for the program I am enrolled in. I understand that if my grades fall below the required level for the program or I do not complete the education program for any reason, I will be required to pay back any money I have received from the scholarship fund.
- H) Retirement Exception: If I have been employed at BRMC for a minimum of 15 years, 5 of which occurred after completion of my highest advanced degree for which I received a scholarship from BRMC, and I retire from BRMC at the federal retirement age guideline as an employee in good standing, my commitment will be considered fulfilled. This exception does not include early retirement.
