Sept. 21-Oct. 4: Scholastic Book Fair
(Virtual Event)

Reminder from the nurse

1. The new guidelines state that a student must be fever free for 48 hours without any fever reducing medication before returning to school. This is a change from years past.
2. A student must be diarrhea and vomiting free for 48 hours also before returning to school.
3. Be sure your child has an extra change of clean clothes in their backpack.

Car Rider Information:

If your kindergartner is a car rider in the afternoon:

1. Make sure you hang your car sign from your rear-view mirror. Small clipped clothes hangers work really well.
2. If possible, install the child's safety seat on the passenger side of the vehicle.
3. If you need car signs, please send a note in your child's folder to their teacher. We will try to get those printed on the same day.
4. Please leave your car sign hanging from the mirror until your child is safely loaded.
5. If your child needs help buckling their seat belt after getting in the car, please pull forward out of the loading zone to help them. This will help our car line continue to move.
