**Parents/Guardian: We need your help reminding students to remember their mask along with his/her backpack and/or lunch box before coming to school. Thanks!**

### **What to do if your child arrives after the 8:00 o'clock bell.**

**Drive to the front of Hackler. Walk your child in and fill out a tardy note. Your child will need to have his/her temperature taken before the parent/guardian leaves.**

**The tardy notes are located on the table in the foyer. Please fill out your student's full name, teacher name, mark the reason for being tardy, and sign the bottom.**

**There are markings on the floor to show the 6 feet social distancing as recommended by the CDC. If someone is already at the table, please wait until they step away before approaching the table.**

**We can only have one parent in the office at a time. It is not necessary to walk your child into the office after their temperatures have been taken.**

**The student will tear the white copy of the tardy note off and drop it in the basket then, exit the door to the left, and head for class.**

Arkansas Secretary of Education, Johnny Key, announced the extension of the United States Department of Agriculture's (USDA) waivers allowing students in the state to receive free meals at public schools until the end of the calendar year.

This is an excellent opportunity to pay on or pay off any outstanding cafeteria balances. If you need to know your balance, call Food Service at 425-1225 and talk to Pam.

### THE OLD BOX TOPS CLIPS

Traditional Box Tops clips are being phased out of production, but may continue to be found on many products throughout the store. You can still clip and send them to school.

Every valid Box Tops clip is worth 10¢ for your school. Make sure each one has a clearly visible product acronym and expiration date.

*\* All valid Box Tops clips submitted per the Program Rules by a Coordinator(s) of (an) eligible, enrolled school(s) will be honored.*

### THE NEW BOX TOPS LABELS

Eventually the Box Tops program will become digital-only. Participating brands are starting to change their packaging from a traditional Box Tops clip to the new Box Top label.

If you see this label, use the new Box Tops app to scan your receipt. Box Tops are still worth 10¢ each for your school. The app will find participating products purchased at any store and instantly add cash to your school's earnings online.
