Every Student, Every Time

September 23, 2020

Dear Pinkston Parent/Guardian:

Pinkston Middle School provides the opportunity for all students to participate in after school homework tutoring for the 2020-2021 school year. This is a wonderful opportunity for your student to get assistance with homework. Sessions will be held in the Pinkston library and students are encouraged to bring a snack. Tutoring will be on Tuesdays and Thursdays from 3:15 to 4:30 p.m. starting Tuesday, September 29, 2020. A student can attend both days or only the day that is convenient for the family. We will not have tutoring on days of parent/teacher conferences, holidays, spring break, AML days, etc.

There will be a bus going to the youth center for those who are members. Please contact the youth center about becoming a member if interested in this transportation option for your student. All other students will need to be picked up in car loading promptly at 4:30 p.m. We are looking forward to working with your student during the after school tutoring sessions. Please feel free to contact the school at 425-1236 if you have any questions or concerns regarding the tutoring sessions. Return the bottom portion of this letter to any teacher or the main office.

Sincerely,

Pinkston Middle School
