# MHPS Athletic Attendance Procedures for Students:

In response to increased numbers of community spread cases of COVID-19, and with student and spectator health in mind, Mountain Home Public Schools will now require students in grades K-9 to be accompanied by and sit with a parent or guardian during athletic events.

Student athletes in grades 7-9 with fall athletic passes may attend games without a parent or guardian and should sit in the designated student section. The student section is located on the track between the home bleachers and the scoreboard.

This change went into effect on Thursday, October 1 and will apply to all forthcoming district sporting events.

## **Attention Choir Parents:**

Choir shirt orders must be in by October 16, 2020. Contact us if you need an order form.
