Digital Learning Days

October 23rd is a Digital Learning Day for MHPS students. This day will look different at each school.

For kindergarten students, parents will receive assignments that your child will complete on some type of electronic device. This can be any device you have at home; cellphone, computer, tablet, etc.

Teachers will send home the digital link for the instructional activities or you can view them at <http://kindergarten.mhbombers.com/announcements/home/> These activities will be discussed in the classroom when students return to school. Students will not attend school (in person) this day.

Halloween Activities

MHK students will participate in Halloween activities on Oct. 30th. It is recommended that your child wear a costume that will not restrict any of their daily activities and is easy to remove for restroom purposes. Check with your child's teacher before sending treats for the class to see what they need.
