1. Send money and order form to School with your student
2. Order online at [www.wingard.inter-state.com/yearbook](http://www.wingard.inter-state.com/yearbook) use the code 54069G

### Attention: Parents who drop off their child in the morning car-line.....

Due to an increase in high temperature checks in the morning we need your help!

If possible, turn your car heater down or roll down your window before driving up to the drop off point. This will insure your child does not have a false temperature reading when they are scanned due to the temperature in the vehicle. If their temperature registers high, by our guidelines we must have you pull up in the carline with your child and wait to see if the temperature decreases. We don't want to take away more of your time than necessary. Thank you for your help in this matter.

## G.U.I.D.E. for Life

### 5 skills for personal success

MHK students are working on earning badges throughout this school year. The first badge was the green GROWTH badge which emphasised:

- Develop problem solving skills
- practice mindfulness
- persevere

The next badge we are currently working on is the gold UNDERSTANDING badge which emphasises:

- Increase self-awareness
- Know your strengths and weaknesses
- Develop critical thinking skills

Some things we are working on are learning to develop positive personal hygiene habits, being aware of personal space, and Identifying likes and dislikes.

Another idea you can discuss with your child is how to identify people or places to go to for help.

## Fenway and Hattie

MHK students are participating in the #OneBookConnects project. We are all reading the same book together, along with schools and families across the country.

The book is Fenway and Hattie by Victoria Coe.

You will receive a copy of the book, along with a 3-week reading schedule starting on November 2nd.

This is a good way to connect with your child and have great discussions about Fenway and Hattie's adventures. We hope you enjoy this project.
