use the code 54069G

Thank you to all who
donated gifts to our MHK
Christmas Giving Tree.
Your kindness is much
appreciated.

G.U.I.D.E. for Life

5 skills for personal success

MHK students are working on earning badges throughout this school year. The first badge was the green GROWTH badge which emphasized:

- Develop problem solving skills
- practice mindfulness
- persevere

The next badge was the gold UNDERSTANDING badge which emphasizes:

- Increase self-awareness
- Know your strengths and weaknesses
- Develop critical thinking skills

The third badge is the pink INTERACTION badge which emphasizes building relationships by:

- Treating others with respect
- Communicating effectively
- Seeking out and offering help when needed

Attention MHK Families,

In an effort to make communication easier for families, Mountain Home Public Schools would like all grades to use Canvas as our main method of communication between teachers and parents. Here at MHK we will transition from whatever method you are currently using (Facebook, Class Dojo or email) to using the Canvas inbox and announcements. Please connect using the **Canvas Parent App**. If you are unable to download the app into your mobile device, there are directions for using a web browser located at www.mhbombes.com . If you would like directions for the mobile device with pictures, that is located at www.mhbombes.com also. Pairing codes were sent home earlier this week. Those codes expire soon so be sure to get connected as soon as possible. Please contact your child's teacher or the office at 870-425-1256 if you have any problems.
