ISSUE: 17

DATE: JANUARY 7, 2021

We hope you enjoyed your well deserved break and are ready to get back to learning. 2020 proved to be difficult at times, but you made it! That proves how Hackler strong you are. Deep breath, set your goals, and press on to a successful academic year. Together we can achieve more because we are a great **TEAM!**

### Remember to pre-order your 2020-2021 YEARBOOK

We are no longer taking yearbook orders in the office. However, online orders will be open until February 26, 2021 by going to [www.wingard.inter-state.com/yearbook](http://www.wingard.inter-state.com/yearbook) and enter code 53877P.

### Hackler Happenings

- ❖ January 8: Report cards will go home.
- ❖ January 13: Early dismissal. We will dismiss @ 1:10.
- ❖ January 18: No school for Martin Luther King, Jr. Day.
- ❖ January 27: Early dismissal. We will dismiss at 1:10.

It's winter and we know what that means! **SNOW!!!** Inclement weather instruction forms went home on Tuesday. Please fill the form out and return it to the homeroom teacher as soon as possible. The homeroom teacher will hold on to these in the event school is dismissed early due to inclement weather. This will help the teacher know how your child is to go home. The following is the form that was sent home. If your child did not give it to you, please ask them for it. If it has been lost, we will get you another one. It is very important we have this form on file. It helps to reduce stress and channel student anxiety so learning can take place while they are at school.

#### INCLEMENT WEATHER INSTRUCTIONS

As you know the winter winds are blowing and it is time to get prepared for the winter weather. Dr. Long, Superintendent of Mountain Home Public Schools, will be the one who makes the decision to dismiss school early or determine the day to be a snow day. A broadcast message will be sent out to inform parents/guardian of inclement weather announcement. Beside the broadcast message, you can also check the following:

## AMI Snow Day Information

Dear Parents and Guardians,

With winter in full swing, we want to make sure we have a plan in place for any winter weather that could create school closure.

As in the past, we will utilize AMI (Alternative Methods of Instruction) for these days. We will send Chromebooks and chargers home with students when/if winter weather is predicted.

Teachers will post academic assignments on your child's Canvas account. Hackler students know how to access their Canvas accounts and assignments. Teachers will reach out to let students and families know the times they will be available for live teaching. We would love for our students to attend these sessions.

Some of you may be concerned about access to WiFi. Please know that if this is an issue, we will work with students on their return to complete assignments without penalty.

Chromebooks are an important educational tool, and we ask that students be responsible with their devices and that they are brought back to school when students are on campus.

Thank you so much for your continued support. We look forward to a wonderful spring semester.

Thank you,  
Allyson Dewey
