Last week, Mountain Home Kindergarten teachers sent home pairing codes for parents and guardians to use with the Canvas Parent App. If you did not get a code or your code has expired, please contact your child's teacher to get a new code. If you are unable to download the app into your mobile device, there are directions for using a web browser located at [www.mhbombes.com](http://www.mhbombes.com). If you would like directions for the mobile device with pictures, that is located at [www.mhbombers.com](http://www.mhbombers.com) also. Please contact your child's teacher or the office at 870-425-1256 if you have any problems.
