

# Nelson-Wilks-Herron AMI

2020-2021

Mountain Home Public Schools has five state approved Alternative Method of Instruction (AMI) days, in case we have absences due to snow, flu, etc. The state department has allowed us to offer these assignments in lieu of making up these cancelled days at the end of the school year. If we were to cancel school, Dr. Jake Long, Superintendent of Schools, or his designee, will notify you through Connect 5 what AMI day we are on so you will know which assignment(s) to have your child complete. If you do not receive Connect 5 alerts, you may listen to KTLO or other local media for school cancellation(s).

NWH students will have a technology or a paper option. If you have access to a device and internet at home your child should choose the technology option, if not, he/she will need to do the paper option.

Your child MUST complete each day's activities for their attendance to be counted. Failure to do so will give your child an UNEXCUSED absence for that AMI day. If you have questions on an AMI day, you can reach your child's teacher via email or the Canvas Parent App.

Attached here is the paper option for each AMI day. Your teacher will share both the paper and the technology options in Canvas.

Laurie Cramton  
NWH Principal

# 1st Grade A.M.I. MATH Choice Board

Please complete 1 math and 1 literacy activity for each AMI day. Initial and date the activities and return it with in 5 days of the AMI day.

Have a skip counting contest to see who can count the highest by 10's + 5's. <hr/> Date/Initials	How much snow did you get? Write it down. How much was there after 2 hours? How much was there after 4 hours? Was there more or less? Make a statement about the snow using the words; more than, less than, equal to. <hr/> Date/Initials	Use a deck of cards. Play Go Fish or Who Has More? <hr/> Date/Initials
Combinations of 12 Write all the equations you can think of to get the sum of 12. <hr/> Date/Initials	Use a real ball or a snowball to toss to a family member. Count how many times you can toss it back + forth before dropping it. Try a second time to beat your record. <hr/> Date/Initials	Ask an adult to empty out their loose change and count the total number of coins. <hr/> Date/Initials
Write 2 addition and 2 subtraction problems + <u>teach</u> an adult how to solve them. <hr/> Date/Initials	Use a deck of cards (or make number cards 1 - 10), pick 2 at a time to add together. <hr/> Date/Initials	Write and solve a subtraction problem about snow using 13 and 7 <hr/> Date/Initials

# 1st Grade A.M.I. Special Area Assignments

Students only need to complete **ONE** of these assignments per day.

## Music

Listen to a song you have (any format) and answer the questions.

What was the name of the song? By?

Is the music fast or slow?

How does the music make you feel?

Draw a picture to show what you are thinking of?

Rate the song using a five star rating; one star is the lowest, five stars is the best.

## Art

Create a snowman using objects and items from around the house.

OR

Go outside and draw a picture of what you see.

## Library

Create an acrostic poem.

W  
I  
N  
T  
E  
R

## P.E. - Create a Game

\*Game Name

\*Rules of the game

\*Draw a picture of how to set up and play the game

\*What do you do to be safe in the game

\*What equipment would you need?

## Computers

Design and build a snow shovel! It does not have to be life size. It must be able to scoop and hold "snow". You can use any materials you find around your house to construct your snow shovel. Some ideas for what to use as your "snow" could be cotton balls, mini marshmallows, rice, beans, etc.

# Accessing Canvas for AMI

Rather than the choice board, your student may complete assignments on Canvas.

## To access assignments on Canvas:

- Visit [mhbombers.com](http://mhbombers.com).
- Click the blue Ready for Learning tab at the top.
- Click Canvas Resources and Login.
- Click Login with Clever.
- Use student badge or Google information to login.
- Click your teacher's class card to access your work.
