Note from Dr. Long on Valentine's deliveries:

"Last year I asked parents to reconsider sending gifts to their children at school because it causes a lot of extra work for our faculty and staff and often causes unnecessary stress on students who do not receive Valentine gifts from their families. This year we will not be accepting any Valentine deliveries due to the challenges I listed above and also due to the COVID-19 pandemic. Even though parents won't be able to attend their children's classroom parties or send gifts to school, I believe our students will still have fun celebrating an early Valentine's Day the week of February 8-11. If you normally patronize one of our wonderful local flower shops or gift stores, I encourage you to continue supporting them with your business, but give the gifts to your children at home."

Your leadership is valued and appreciated!

School Board Appreciation January 2021

Thank You

For making the hard decisions, for keeping student needs first, and for staying MHPS strong thru a pandemic of extreme proportions. You make this school a school to be proud of from students, teachers, staff members, parents and community.
