Dear Hackler Families,

Spring parent/teacher conferences are scheduled for Thursday, February 11th from 1:10 p.m.-7:00 p.m. Your child's teacher should be reaching out to you concerning conferences. All parents are welcome to meet with their child's teacher. The CDC guidelines will be followed during these conferences.

Buses will be running regular routes beginning at 1:10, as well as car lines. Flight Crew will be open for registered students from 1:10 -6:00.

We will also be offering a late car line pick up until 3:00 in the 5th grade car line that runs in front of the building. Please fill out the form below and return it to your child's homeroom teacher as soon as possible to allow us to prepare for the students who will be staying until 3:00.

Sincerely,

Allyson Dewey
Hackler Intermediate Principal

This is Counselor Appreciation Week
and we can not say enough about
Hackler's Counselors:

Kristyn Goodwin & Tina Killian

We think they are among the very
best, and we are so lucky to have
them. Their hearts are big and their
passion for children is bigger.

Thank you ladies for all you do!

Note from Dr. Long on Valentine's deliveries:

"Last year I asked parents to reconsider sending gifts to their children at school because it causes a lot of extra work for our faculty and staff and often causes unnecessary stress on students who do not receive Valentine gifts from their families. This year we will not be accepting any Valentine deliveries due to the challenges I listed above and also due to the COVID-19 pandemic. Even though parents won't be able to attend their children's classroom parties or send gifts to school, I believe our students will still have fun celebrating an early Valentine's Day the week of February 8-11. If you normally patronize one of our wonderful local flower shops or gift stores, I encourage you to continue supporting them with your business, but give the gifts to your children at home."

Let's make a "Change" with Kindness
