We sure do appreciate you!

COATS, COATS, COATS, COATS
Our clothes closet is bursting at the seams with new and gently used coats. If your child needs a coat or if there are other children in your home that need a coat and are in the size (5-6) or (7-8) range, please send a note to your child's teacher and we will let your child select the perfect coat for them and send it home in their backpack.

"Last year I asked parents to reconsider sending gifts to their children at school because it causes a lot of extra work for our faculty and staff and often causes unnecessary stress on students who do not receive Valentine gifts from their families. This year we will not be accepting any Valentine deliveries due to the challenges I listed above and also due to the COVID-19 pandemic. Even though parents won't be able to attend their children's classroom parties or send gifts to school, I believe our students will still have fun celebrating an early Valentine's Day the week of February 8-11. If you normally patronize one of our wonderful local flower shops or gift stores, I encourage you to continue supporting them with your business, but give the gifts to your children at home." -Dr. Long
