Hackler Happenings

- Monday, Tuesday, and Wednesday were considered snow days and will be made up June 1, 2, and 3. If that changes, we will let you know. Keep reading the Thursday newsletter and make sure we have the correct contact information in our broadcast system so you can get updates from Dr. Long, Superintendent of our school.
- Reminder: No food drop offs this year due to Covid-19 as an effort to limit office visits. Thank you in advance.

Attention Parents/Guardians:

If your Hackler child has been tested for COVID-19 or has had close contact with anyone who has been diagnosed with COVID-19, make sure you contact Nurse Wendy as soon as possible. Nurse Wendy will notify teachers to get Chromebooks and chargers ready to be picked up so the learning process can continue while quarantined. She will also notify the attendance secretary to excuse the days missed.

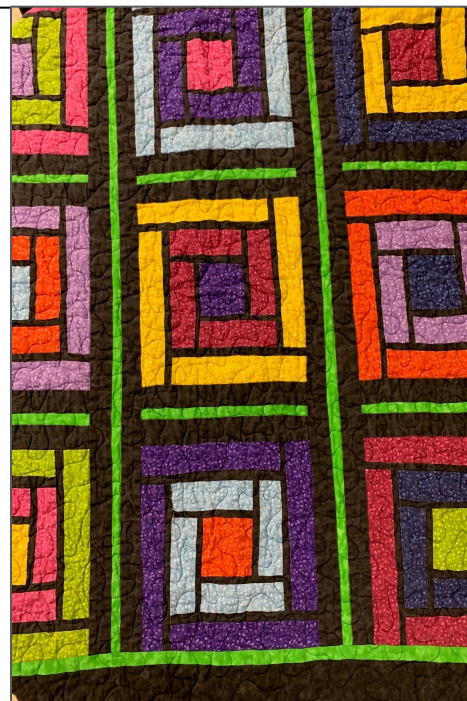

EAST Program Raffle

The Hackler Intermediate EAST program is sponsoring a raffle for a beautiful handmade quilt. Tickets will be 6 for \$5 or \$1 for single tickets. All the proceeds will go to the Hackler Hugs program. We will begin selling tickets beginning on February 22 and will run until March 19. Ticket money may also be sent to school with your child. Winner will be drawn on April 9.

The Hackler Hugs program helps to meet students' needs that may not be academic in nature. We have been able to make contributions to help cover students' medical expenses, purchase clothing, shoes, get student haircuts, take care packages to students who are in the hospital, and the list goes on.

Thank you for supporting the Hackler EAST and Hackler Hugs programs.
