We are postponing our annual Pasta Night Event at Pinkston Middle School until the spring (probably May). Because of COVID-19, we feel that it is best to be cautious by not having crowds in the building. However, since Pasta Night is such a popular family engagement event in our community, we do plan to adjust the activities accordingly. Currently, we are planning to present some type of outdoor “on the grounds” celebration that will enable us to showcase our students and their talents during the warmer month of May. We will send out the date and details soon!
