ISSUE: 29

DATE: APRIL 15, 2021

This is the schedule for testing:

DAY 1: MONDAY 4/19/21 - 8:15 AM
READING (65 min)

DAY 2: TUESDAY 4/20/21 - 8:15 AM
MATH (65 min)

DAY 3: WEDNESDAY 4/21/21 - 8:15 AM
SCIENCE (60min)

DAY 4: THURSDAY 4/22/21 - 8:15 AM
WRITING (45min) ENGLISH (40min)

The key to successful testing is a good night's rest, a great breakfast, encouraging words from parents or guardians before they leave for school, and arriving on time so that testing days will get off to an awesome start.

Students need to arrive no later than 8:00 a.m. so they are ready to begin testing by 8:15 a.m. If a student arrives after the testing session has already began, they will not be allowed into the classroom until they have a break during the testing session. Any missed session will be made up as soon as possible.

Since testing will be done by noon, please, if at all possible, schedule any appointments for the afternoon during testing week. This will allow students to clearly concentrate on doing his/her best on the test rather than having an appointment on their mind. Studies have shown students test best with their peers versus being pulled out for makeup testing.

All of the teachers and students have worked so hard in this very difficult year to get ready for this, and we are confident in our Hackler students' abilities. We are Hackler strong, and it takes dedication on the behalf of the parents, students, administrators, teachers, and staff to make this season of testing the best ever! We are encouraged by the possibilities of our future with all our Hackler students.

PURPLE UP

April marks the Nation's "Month of the Military child", a time to honor and celebrate children with a parent in the military. By wearing purple, we are showing our support and thanks to these families for their strength and sacrifices.

**Our Purple up day is:
April 16**

WEAR PURPLE to support our military students!
