PINKSTON MIDDLE SCHOOL PRESENTS

# PINKSTON PICNIC

## ON THE GROUNDS

TUESDAY MAY 18TH

5:30-7:00 PM

Each year, parents, friends, neighbors, & community join together to show support for Pinkston Middle School!

**\*Band Performances**

**\*Art Work Display**

**\*East Night Out**

**\*Family Fun Games**

We will be offering a wonderful picnic dinner served by our very own teachers & staff.

**I need \_\_\_ Advance Tickets. (\$5 each)**

Children 5 & under free w/an accompanying adult.

**Student's Name** \_\_\_\_\_

**Student's AAP Teacher** \_\_\_\_\_

Send money with your child or drop it by the Pinkston office & we will send tickets home with your child.

*Pinkston student Simone Moore says her group's EAST project this year was to transform an old lending library into a suitable blessing box. "Now we are trying to keep it full for as long as possible, so we decided to do a food drive to help our community," she said.*

## **PINKSTON MIDDLE SCHOOL EAST**

# **BOOST OUR BLESSINGS**

EAST is collecting food and non-perishable items to keep our blessing box filled for as long as possible.

If you want donuts than you better bring as many donations as possible because the first period that has the most donations gets a donut party.

**- MONDAY APRIL 26 -**

**- MONDAY MAY 3 -**

**Food needs to be canned or sealed in  
an unopened bag or box.**

# It's time to register for Mountain Home Public Schools' Summer Learning

Grades K-8

June 7- June 24

Monday-Thursday 8 a.m.- 3 p.m.

Registration Deadline: May 28

[Click here](#) for more information and to sign up today!

## IT'S FUN!

MHPS Summer Learning provides fun for your child. Students will take part in activities including computer science, coding, art projects, games, crafts and other enrichment activities.

## IT'S LEARNING!

Your child will sharpen the math, reading, and writing skills needed to succeed in the next grade and beyond.

## IT'S NO-COST!

Meals are included. Teachers will lead your child each day in exciting activities inside and outside the classroom.

Additionally this year:

### Intro to Computer Science:

Using various resources, we will give a broad overview of what computer science is and how it is involved in our everyday lives. We will discuss basic concepts, such as, coding, algorithms, binary, robotics, space travel and more. The students will learn that computer science is not just people in lab coats or computer nerds. Computer science is now in healthcare, automotive, agriculture and many other industries.

### 3D design and production:

<https://classroom.weareprintlab.com/>

Using the PrintLab curriculum, we will teach the students to design their own 3D models using Tinkercad. They will then bring the design to life using 3D printers. Students will design basic shapes and models to gain a better understanding of the design process and software. They will then be given a project or problem to solve using what they have learned.

### Programming with Sphero:

<https://youtu.be/DxFNCRYbMe4>

Using small spherical robots, students will understand the basic concepts of programming, problem solving and computational thinking. They will play STEAM-inspired games with the Sphero Play app and eventually advance to programming with Block Based Coding or Javascript in the Sphero Edu app

#### Featured News

### ASU-Beebe 2021 Virtual Vanguard Discovery Camp

ASU-Beebe Vanguard Discovery Camp (VDC) will be FREE and held online again this year to accommodate campers and to continue following social distance guidelines, while still enabling everyone to enjoy the creative and interactive aspects of the camp experience. The free courses will be offered in two camp sessions: Monday through Friday, June 7-11 and Monday through Friday, June 14-18. Participants may register for any or all courses offered. Register early for a free t-shirt while supplies last. VDC offers Science, Technology, Engineering, Art and Math (S.T.E.A.M.) modules designed for youth in 4th-8th grades, which introduces the next generation to the world around them in a fun and interactive way, while also providing exposure to vast career fields and technology concepts.
