AREA INFORMATION

LeMac Realty was founded in the early 1970's by two partners, Ronald Lewis and Ray McDaniel, hence the name "LeMac". In 1985 the transition was made to become affiliated with CENTURY 21®. Now begins "Our Story".....I (Jewel) was hired as secretary in 1989 and received my real estate license a year later. After obtaining my broker's license in 1995, I resigned my secretarial position, went into sales full time, and began a successful career in real estate. An opportunity to purchase the company became available and on October 1, 2001, my husband (Mickey) and I became the proud owners of CENTURY 21 LeMac Realty.

Our venture started with three full time sales associates, including myself, and three part time agents. New agents were added and our leased building quickly began to bulge at the seams. Three years later a lot became available just two doors down and construction soon began on a new two story building. We moved in on Valentine's Day 2005 and continued growing our business. A year later we opened a branch office next to Wal-mart to better serve our clients and offer them the convenience of two locations.

I am proud to say that over the years we have grown to a force of over 50 agents, six support staff members, and have consistently been ranked one of the top real estate companies in the Mountain Home/Twin Lakes Area for production.

COME VISIT US!

Welcome to the beautiful, quiet, and wondrous Mountain Home, Arkansas located in the Ozark Mountains! As you may have noticed, Mountain Home is one of the best retirement and vacation spots in the USA and Century 21 LeMac is your premier location for Mountain Home Arkansas real estate.

Here in Mountain Home, we have 3 wonderful rivers, 2 lakes, and breathtaking mountain views that make this place one of the leading relocation and retirement locations in America. From May to September, Bull Shoals Lake and Lake Norfork are perfect for water skiing, boating, floating around on a raft in the many swimming areas, and relaxing on the lake shore. There are several camp grounds, hiking trails, and public parks along the lakes and rivers in our area. Between the 2 lakes and 3 rivers, fishing year-round is bountiful and easily accessible. The area lakes attract anglers locally and from all over the country to catch stripers, walleye, bass, lake trout, and crappie. National fishing tournament circuits such as B.A.S.S. have found Bull Shoals Lake to be a regular stop on their tournament trail. Also, there are a considerable amount of local cash tournaments on both Bull Shoals Lake and Lake Norfork at least monthly throughout every year. Don't forget our local rivers! The North Fork River, White River and Buffalo National River are exceptional for tubing, canoeing and fishing for rainbow trout, cutthroat trout, and brown trout; we are the Trout Capital of the world. Have we mentioned hunting? Our area offers a variety of hunting wild game: whitetail deer, wild turkey, quail, pheasant, duck, squirrel, dove, and rabbit to name a few.

Although our area has been known as a tourist attraction for vacationers, don't underestimate the possibility of relocating in real estate in Mountain Home, AR. Our residents reap brilliant benefits such as owning a home for the same cost as renting, eating at all of our flavorful independently owned restaurants, and shopping in town and in our surrounding areas such as Branson, MO (outlets) and Springfield, MO (malls). The Mountain Home area has 2 amazing local golf courses: Big Creek Golf Course and Twin Lakes Golf Course. It's no surprise that the Mountain Home area consistently ranks in the top 100 of retirement communities in the United States.

"I can help you with your real estate dreams."

Pam Martin

Being a native of Mountain Home and growing up a rancher's daughter has given me many local connections.

Before pursuing a career in real estate, I worked for a local title company and a communications company for 18 years.

Raising two teenagers that are active in sports is pretty much my hobby. If I do have free time, I enjoy the local lakes and rivers. I also enjoy spending time with my family and friends and traveling.

I understand how precious and stressful home selling and buying can be at times. Let me help ease your time and mind while we take the process together. I will be by your side every step of the way.

Call or text me at 870-404-5970 or stop by my office located at 40 Plaza Way, Suite 180 in Mountain Home to see how I can help you with your real estate dreams!

OUR FAMILY'S FAVORITE RECIPES...

Cheeseburger Bites

(Kyle Camp via his wife Jessie)

Ingredients:

1 lb ground beef
Salt, pepper, onion powder and any other seasonings you like on burgers, to taste
Ketchup, mustard, and or bbq sauce to taste
1 can of crescent rolls
Shredded cheese (whatever your preference is)

Directions:

Preheat oven to 350 degrees. Cook ground beef and add salt, pepper, and any other spices you enjoy on a burger. Drain meat, then put back in pan. Add ketchup, mustard, and or bbq sauce to taste. (1/4-1/2 cup or however much you like) Then add cheese (again however much you like) Mix together and let cheese melt. Separate each crescent roll on the perforated edges, add a spoon full of the meat and cheese mixture in each roll, then roll them up, making sure to close all the edges up. Bake for 12 minutes or until the rolls are cooked through and golden brown. Let them cool and enjoy! (You can really customize this recipe and add or take away any ingredients you want. Play around and make it your own!)
